Experience (Profile):

With an Engineering degree from a prestigious institution in Mumbai, I started my career in one of the best Fertilizer companies in India but my passion for government sector jobs and bringing change into people's life brought me back from private sector career. I am a self trained trainer and an outstanding one at that. My ability to develop a close connection with students and teach difficult concepts with ease. I have successfully cleared more than 15 government examinations and teaching maths has been my passion for the last 10 years. Have trained 7000+ students till dates.

Training done at Prestigious institutions as follows:

- YCC autonomous Nagpur(MH)
- Ramdeobaba COE Nagpur
- GCOE karad
- KITS RamtekAVCOE sangamner
- DYPatil Pune
